

Início do login GitHub - GET e resposta 302

Captura fornecida pelo aluno em 29/09/2026. Tarjas solidas ocultam valores sensiveis.

The image is a composite of two screenshots. The left screenshot shows a GitHub OAuth authorization page for the application 'site-autentica-o-frank' by 'jvcreator-br'. It asks for access to a 'jvcreator-br' account with 'Public data only' permissions. The right screenshot shows the Chrome DevTools Network tab for the URL '/oauth/login/github'. The 'Headers' panel is expanded, showing the 'General' tab with details like 'Request URL: https://site-autentica-o-frank.pages.dev/oauth/login/github', 'Request Method: GET', 'Status Code: 302 Found', and 'Response headers' including 'Alt-Svc', 'Cache-Control: no-store', and 'Location: https://github.com/login/oauth/authorize?'. The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time as 20:01 on 29/09/2026.

Inicio do login GitHub - atributos do cookie temporario

Captura fornecida pelo aluno em 29/09/2026. Tarjas solidas ocultam valores sensiveis.

The image is a composite of two screenshots. The left screenshot shows a GitHub OAuth authorization page. At the top, it says 'Authorize site-autentica-o-frank'. Below this, there's a card for 'site-autentica-o-frank by jvcreator-br' which wants to access the user's GitHub account. It specifies 'Public data only' access. There are 'Cancel' and 'Authorize jvcreator-br' buttons. Below the buttons, it says 'Authorizing will redirect to https://site-autentica-o-frank.pages.dev'. At the bottom, there's a footer with GitHub's copyright and various links. The right screenshot shows the Chrome DevTools Network tab. It displays a GET request to 'https://github.com/login/oauth/authorize?'. The 'Headers' tab is selected, showing request headers like 'authority: site-autentica-o-frank.pages.dev', 'method: GET', 'path: /oauth/login/github', and 'scheme: https'. The 'Cookies' tab shows cookies like '=S256', 'cfExtPri', and '__Host-oauth-tx=...'. The bottom of the DevTools window shows a 'What's new in DevTools 152' notification and a Windows activation prompt.

Inicio do login - Github
